Sandy Hollow Arts and Recreation for the Environment

Grant Program Description

Who We Are

Sandy Hollow Arts and Recreation for the Environment Incorporated is a non-profit organization that seeks to raise awareness of and support for environmental and artistic concerns. Based out of Central Pennsylvania since the early 1990's, SHARE sponsors two music festivals (Fall and Spring) that serve to increase appreciation for our precious, fragile planet while having fun. Both events are entirely volunteer-run and strive to demonstrate environmentally sound principals while providing top-rate entertainment. The revenue generated through the SHARE Festivals is then recycled into our annual Grants Program which funds both community projects as well as educational opportunities that coincide with our mission.

Funding Criteria

SHARE prioritizes funding local projects
